Message from Pastor Mike

PRAYING FOR OUR FARMERS

May is the month when spring really gets going in a big way. March and April can be teasers, but in May the weather becomes consistently warm (or at least usually). Throughout the northern hemisphere farmers are plowing and fertilizing their fields, and planting the crops that will grow through the summer. In Ohio where I live it's a bit warmer and so this planting season comes a bit earlier than in Michigan. But either way, May is the month when things are in full swing.

There is an ancient Christian tradition dating back to the fifth century called Rogation Day. ("Rogation" comes from the Latin word for "ask.") It comes on the Sunday five weeks after Easter, this year May 26. The custom started in southern France after a few years of really bad harvests. The people resolved to set aside a day to pray for farmers as they planted, asking for seasonable weather, fruitful soil, and abundant crops. Their prayers were answered that year and they then began to include

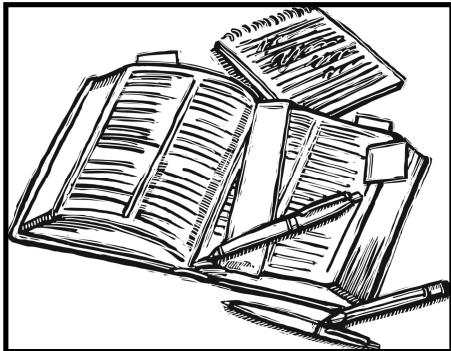

such prayers in their worship on an annual basis.

Today many Christians, even those who don't live in farm country, observe *Rogation Sunday*. After all, urban dwellers depend on farmers too! So it is appropriate that this year we at Cross Lutheran will be praying for our farmers on May 26, asking God's blessing on the soil, the seed, and the weather, so that we also may have bountiful crops this fall.

From the Desk of Susan Hass...

With all the parents who were undecided about sending their children to Cross, we lost heart. With every student who announced he would be going to a different school, we became discouraged. When the open house didn't yield many new students, we were dismayed. In all of our discussions about the future of Cross, we first turned to Him to ask: Where do you want this school to go?

On the last teacher work-day of the school year we huddled together in a brainstorming session reaching for ideas that would sustain this school that we loved for many reasons, mainly that we are able to proclaim the name of God in all that we teach.

We examined our curriculum, looked at extra-curricular opportunities, we even considered our lunch program—nothing was found wanting. Cross offers an education that stacks up positively with other schools, but offers the bonus and the hallmark of this school since its inception: We share the Word of God!

Finally, someone suggested we offer the community a child-care program as well as a junior kindergarten or what is commonly called "DK/developmental kindergarten". It would bring in new parents and their children and fill a need in the community and hopefully reinvigorate the school. We knew that this was not something we could get going on our own. We prayed, and God provided! Two mothers from the congregation approached the church leadership with the very same idea to start a daycare, and a committee was formed to explore the possibility.

The idea came before the church congregation who voted to add this new dimension to the school. The morning that an excited Mr. Faupel and Mrs. Barry announced that the congregation was behind the new program, we could hardly subdue our enthusiasm! With smiles and uncontained eagerness, we launched into queries: Where will we house the new programs? Who will run a daycare? How many youngsters

can we serve? How will we accommodate little ones? Lots of questions and no instant answers. With faith in God, a church, that is determined to serve Him and the community, got behind a new program knowing that where there are needs, and faith, solutions will be found.

All of us look forward to our next school year, rich with new opportunities for children, their parents, and for our service. We love working in this school and we can hardly wait to find the answers to our questions. Thank-you to the congregation of Cross for your support of this school and faith in God.

been doing to improve the sound system in the sanctuary. These improvements will improve the sound for all events that take place in the sanctuary and especially help with the contemporary worship services with much less work in setting up and taking down equipment. Randy reported that with all the moving of equipment items get damaged and he expressed concern for all the cords being a possible tripping hazard. After much research, speaking with sales people and visiting other churches to inspect their sound systems he reported several options that would be beneficial to our congregation beginning with the addition of a sound booth and a

Music Palooza took place on Thursday, March 21. Students did an excellent job sharing their vocal, instrumental, and theatrical skills. This is in large credit to teacher Beth Elston, who directed the performances. A science fair presented by junior high students followed the music portion of the evening. The event was well-attended.

The Meet, Greet, and Treat Open House on April 4 was a big success! About 30 families attended, and many were new to our school. We already have 10 new students enrolled for 2019-2020 for DK-8th grade.

The school has received a grant from the Michigan State Police for \$20,088 to be used for school safety. The money will be used to install a video inter-

com/door release system. Harper Alarm of Vassar will install the system in June.
