Ascension of the Lord — May 9, 2024

"But you will receive power when the Holy Spirit has come upon you, and you will be my witnesses in Jerusalem and in all Judea and Samaria, and to the end of the earth."
Acts 1:8

Bob Hope was an incredible man. He was known the world over for his humor, talent, and kind heart. He lived for one hundred years and served many generations who laughed at his jokes, movies, and television shows. Arguably his greatest contribution to others was his live performances with the U.S.O. for deployed military troops. He gave so much to bring joy to others and he will be remembered for those events. Ever wonder what it was like to know him personally? It would have been impossible for Bob Hope to know

everyone who loved him; he was one person trapped by time and space. We knew him, loved him, and considered him a part of our lives, but there was no way Bob Hope could ever know each of us personally.

Have you ever wondered what it was like to be a friend of Jesus? Have you wondered what it would have been like to travel with Him, to hear Him preach and teach, to see the miracles? It must have been a joy just to be with Jesus. Jesus worked with His disciples before and after the Resurrection, teaching them everything they needed to know to do His work in the world. When that work was complete, Jesus took them to the Mount of Olives where they worshipped him. He told them to wait for the promised Helper in Jerusalem. Then He ascended into heaven, never to be seen again.

Why did He have to go? Jesus was just as limited as Bob Hope, His flesh made it impossible for Him to meet every person face to face. The Church would never have grown if Jesus had stayed. He could not have touched the hearts of people in the four corners of the world as a man of flesh, even with His resurrected body. Jesus ascended into heaven so that He could

send the promised One, the Holy Spirit. Though Jesus is not here in flesh, He is here in a much better way, a way in which we all can know Him. The Ascension was a sad moment for the disciples, they grieved the loss of their flesh and blood friend and teacher, but it was a reason for joy for the Church because it assured that we can have a personal relationship with our Lord Jesus.

From the Desk of...Kelly Gebauer

Happy spring everyone! I'm sure glad for the sunshine and all the greenery that is budding and blooming. It is hard to believe we are in the last quarter of the school year. They say time flies when you are having fun.

In the mornings in the 3rd-5th grade classroom I have had the pleasure to read many books this year with the students. Currently the 4th and 5th grade students are reading *Hatchet* by Gary Paulsen, one of my favorite authors. Every chapter we read leaves us wondering how Brian is going to survive in the Canadian wilderness. The students have been enjoying making connections and predictions. Sometimes we feel just as frustrated and hungry as Brian is in the story. The 3rd graders and I just finished reading a biography about Franklin Roosevelt. We learned about his life, history, and found inspiration. One lesson we learned is that when life is tough, do not give up. We also just started reading *Sarah, Plain and Tall* by Patricia MacLachlan and we are enjoying it. We are looking forward to learning how the characters cope with the changes in their lives and how they help each other through those changes.

In the afternoons in 6th through 8th grade we just finished reading *The Lion, the Witch, and the Wardrobe* by C.S. Lewis, another of my favorite authors. We really enjoyed making connections to the Bible as we read. Currently we are reading *The Devil's Arithmetic* by Jane Yolen, which is a historical fiction book about the Holocaust. As we

read we are learning about the Jewish culture and their immense struggles during WWII. We will be going deeper into this chapter in history after the students finish their renaissance projects for social studies. I would like to spotlight the 6th-8th grade students for their awesome castles they created while learning about the middle ages. We are also continuing to pray for our government leaders both locally and globally.

Something else we got to enjoy recently was the solar eclipse. Before the end of the school day we went outside with our stylish glasses and got to see the moon partially covering the sun. It was amazing! We are so blessed that we can experience God's creation that was so carefully designed. Just another way God reminds us of his power and love.

I'm looking forward to watching some of our fabulous students perform in the musical *Honk! Jr.* soon. Then we have our own Arts Extravaganza, which I'm super excited to see. If you haven't checked out the poems on the bulletin board by our 6th-8th grade students, you should; Mrs. Turner is an amazing art teacher. Their poems are a reminder of how much Jesus loves us and that we never forget about his sacrifice on the cross.

Message from Gwynne Barry:

The flower beds at the parsonage need your attention! Clean up, pizza, and/or a family kickball game and bonfire will happen on either Saturday, May 11 at 6 PM or Sunday, May 12 at 6 PM. There is a concern that Sunday would not be the best choice as it is Mother's Day, but we'll go with the majority. Worship and Music Ministry

April 2, 2024

Members present: Peg McCrimmon, Mike Sting, John House – Trustee, Beth Elston, Karen Schuette – Chair.

*Reviewed the worship services during Holy Week and Easter. All went well with good comments from the congregation.

*Discussed celebrating the 60th Birthday of our organ.

*Worship and Music discussion – We will use LBW Setting 2 after Trinity for our liturgy. Dates to look forward to in May – Thursday, May 9—Ascension (no worship service planned); Sunday, May 19—Pentecost; Sunday, May 26—Holy Trinity.

NEXT MEETING – Tuesday, May 7, 2024 at 3:00 pm.

May brings about a plethora of activity and preparation and celebration. Weather permitting, the planting of crops is in full swing. Flower pots will begin to be filled (and possibly taken inside some nights). Spring and summer sports' practices and games are in full swing. Preschoolers, Kindergarteners, Eighth graders, and High Schoolers are graduating. College graduates are seeking jobs. Cross Lutheran members are cleaning out closets, drawers, and basements gathering items for the garage sale. Mission Outreach is requesting that members assist with that project. Vacation Bible School team is finalizing details and recruiting helpers...Activities and preparations and celebrations.

On Pentecost, May 19, we will celebrate the Confirmation of two students of Cross Lutheran Church, the graduation of High Schooler, Grace Shupe, and Cross Lutheran School Eighth Graders, Aubrey Curtis, Conner McLain, Julia Shupe, and Ella Wilson. What a celebration Sunday!

Our confirmands, Chase Gardy and Reid Zimmerman, have chosen their Bible verses and will speak about them. Chase chose Psalm 46:5 "God is within her, she will not fall; God will help her at break of day." (NIV) Reid chose Jeremiah 29:11 "For I know the plans I have for you," declares the Lord, "plans to prosper you and not to harm you, plans to give you hope and a future." (NIV) These students will make public profession of their faith as well as answer the following questions:

*Will you regularly gather among God's people in worship to receive God's Word and share in His Holy Supper?

*Will you be a witness to the faith that has been given to you and strive to remain steadfast in God's Word?

*Will you be a servant to others and seek to love your neighbors, following in the footsteps of our Lord Jesus?

*Will you proclaim the good news of Jesus Christ and his lordship in your life through your daily words and deeds?

Their response should be "I will, and I ask God to help and guide me." I want you to consider your response to these questions. Is your response reflected in your actions?

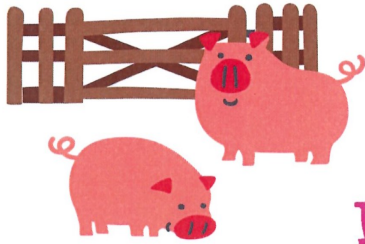

There are many activities scheduled in our near future where your help is needed to proclaim the good news...among them are the garage sale, VBS, Sunday School and Youth events, Bible Study on Wednesday evenings. If we have even a portion of volunteers and enthusiasm we demonstrated at the Fish Fry, those events would be off the charts, too. Those organizing those events are busy with preparations already. What a celebration it would be to have 60 people to help with the garage sale! What a celebration it would be to have volunteers for VBS come forward! What a celebration it would be to have Sunday School full and all our youth involved in worship and activities! What a celebration it would be to have multiple Bible study groups! What a celebration it would be to have a full bell and choral choir! SO many opportunities to proclaim the good news of Jesus Christ.

How are you responding to the questions asked of the confirmands? I pray it is a wholehearted answer of, "I will, and I ask God to help and guide me." There are so many opportunities to glorify God in our church and community in our activities, preparations and celebrations!

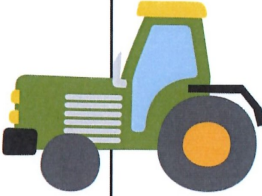

In His love,

Gwynne Barry
