From the Pastor's desk at Cross Lutheran Church-NALC,

*Jesus said, "Let the little children come to me and do not hinder them, for to such belongs the kingdom of heaven."*

(Matthew 19:14)

As many of you may already know, I really enjoy speaking to the young people in our congregation during the youth message just before the sermon. Before the start of our service, I pass out little pictures to the youth as they are arriving or after they are seated. It is a joy to welcome them to worship! By now I'm sure they know that I have a picture for them to look at before the service begins. It is wonderful to see the number of young people sitting with their parents. Many times, there are young people that are temporarily "hidden" from my view in the congregation, and later I realize that there are more in the congregation than I actually see. It is my prayer that once again they will be able to come forward in the future for the youth message at my invitation.

The children just seemed to know when it was time to come up for the youth message, but they would usually wait until they got the nod of approval from a parent or grandparent. Then they eagerly made their way forward. Yes, there had been a few reported sightings of children leaping over a neighboring parishioner in a single bound as they scrambled toward the front of the church!

When I attended church as a child, we didn't have the opportunity during the worship service to go forward to sit and spend time with the pastor. Looking back, I believe it may have made going to church a little more enjoyable. It also would have been nice to hear a Bible story, and more importantly, get a treat to enjoy during the sermon!

Having the young people involved in the youth message at each worship service allows me to become child-like again at least for a short while. There have been times when I've been asked to act my age, and finally during the youth message, I can do just that. I enjoy asking questions during this time and I am amazed at the confidence in our youth when they answer out loud from the back pews. I wonder how many of the "older" youth possess the childlike boldness to do the same? Our young Christians at Cross Lutheran are a precious gift to our congregation for just a few short years. Before we realize it, they quickly mature into fine young adults. And with each new spring, we will see another class of high school graduates soon leave us.

*(Continued from page 1)*

We may never know the impact that is made when we share the Word of God with our youth, but we pray that they will hear God’s call to become future church council members, which include presidents, vice presidents, secretaries, and treasurers. We pray that they will hear the call to become lay leaders, participate on church committees, teach Sunday School, and fulfill many other necessary ministries within our churches. And yes, we fervently pray that a chosen few will become ordained pastors called to lead, baptize, and teach, guiding new generations of disciples for the body of Christ just as this has continued to occur for over two thousand years.

Thank you everyone who bring children and youth to worship services. Thank you for sharing your children with us. They are a reminder that life is precious at every age each day. They are a reminder that God’s Word is for the very young, the very old and every age in-between. They remind us that all those little ones, young and old, who worship beside us, are the future of the church as our little brothers and sisters in Christ. God bless all the little children of the world!

***“And calling to him a child, he put him in the midst of them and said, “Truly, I say to you, unless you turn and become like children, you will never enter the kingdom of heaven. Whoever humbles himself like this child is the greatest in the kingdom of heaven.” (Matthew 18:1-4)***

In Christ, Pastor Glenn

## Here is a little insight from Mrs. Elston and Ms Sarah on the growth of the Childcare Center and Preschool...

Mrs. Elston words of Praise and growth...

Little signs of spring have been surprising and delighting us over the last few weeks. Likewise, little signs of students' growth and learning have been popping up all through the preschool! It seems that vocabularies have grown like the ever-expanding daylily patch in my backyard. Reading readiness has been cultivated like a freshly fitted field, ready for planting. Scissor skills have been streamlined like a well-manicured lawn, and students' academic skills have been practically blossoming!

It is a joy to see the growth of our students, and it is very gratifying for me to have had the opportunity to be part of it. God has certainly carried us through the challenges of this school year, and has surprised and delighted us with so very many blessings! Thanks be to God.

Ms. Sarah Words of Praise...

As I am looking back over the last year of craziness, I see only one thing and that is God's Grace. He has been in and with the childcare center from day one. We are growing and learning everyday too. The Infant Room is now open and being used every day in its new room off the hallway between the Gym and Church. It is a wonderful open space. Thank you for all the hard work that was put into it. I cannot thank you enough for the patience and understanding.

As the center continues to grow and move forward in our everyday lives, we would like to ask you to take a couple of minutes, each and every day to pray for the families and children we service. Right now, the childcare center is servicing 49 families. Let me take a moment to share with you a couple more numbers, below you will find a little chart of the classroom numbers.

Infants = 9 Children and 6 holds for new babies coming over the summer months and fall of 2021

Wobbler classroom = 12 Children

Toddler classroom = 11 Children

Preschool classroom = All day children 20 and 8 preschool only children.

Latchkey Children = 15 students from three different schools. Right now we have students from Cross, Lakers and Caseville coming to after school.

David advised council that he needs at least ¼ day for every 50 students to perform his principal duties, ½ day per day every day would be the best solution.

School Board did vote to increase tuition effective May 1, 2021. Increase will be \$50.00 per year for members, and \$75.00 per year for non-members. David Faupel will provide tuition update for council to address with a Motion at our April meeting.

## Mission Outreach Ministry Minutes

April 16, 2021

The meeting was called to order by Lorraine LePage. Those in attendance were Nancy Schuette, church council representative; Pastor Glenn, Nancy Heck, Lori Smith, Tonja Nelson, Kay Schuette, Lorraine LePage, Krisie Fritz and Connie Eden. A prayer was given by Pastor Glenn.

The minutes of September 16, 2020 meeting were read and approved.

The treasurer reported a checkbook balance of \$1,785.93.

The garage sale for this summer was discussed. All present approved and were in agreement that we should go ahead with the sale and were willing to help. The dates have been set for June 17, 18, and 19. Hours for the sale will be 9am-5pm on Thursday, June 17 and Friday, June 18, with Friday being ½ price day. Saturday, June 19 will be free day with hours from 9am-12 pm. This year we will have less space to use for our sale items so it was decided to not take items which did not sell well in the past. The items are TVs, electronics such as old laptops, computers, printers, VCRs, National Geographic magazines, encyclopedias, books and shoes. Other items may be added as more thought on the sale is given.

Krisie will apply to Thrivent for funding to help with expenses pertaining to the garage sale.

The shoe box project was discussed. The group decided they want to continue with it. We will have to work out details on storage of the items brought in for it since storage in the church is limited at this time.

Lorraine agreed to continue on as President of the Mission Outreach group until the end of the year.

The next meeting will be Thursday, May 13 at 6:30 pm.

With no further business, the meeting was adjourned with the Lord's Prayer.

Respectfully submitted, Tonja Nelson
