³⁴ Jesus answered them, "Truly, truly, I say to you, everyone who practices sin is a slave to sin. ³⁵ The slave does not remain in the house forever; the son remains forever. ³⁶ So if the Son sets you free, you will be free indeed. ³⁷ I know that you are offspring of Abraham; yet you seek to kill me because my word finds no place in you. ³⁸ I speak of what I have seen with my Father, and you do what you have heard from your father."

John 8:34-38 -

Jesus here addresses the bondage of sin and our liberation from it. He says that the one who practices sin is a slave to sin and that such a slave is in danger of being thrown out of God's house. Yet, as the Son of God, Jesus remains in God's house, for he is the rightful heir. Thus, if the Son sets a slave free, he will remain in God's house as a freeman alongside God's Son. We are therefore saved by the Son, and thus by grace, not race. Physical descent from Abraham offers no escape from the bondage of sin which is the universal problem of all humanity.

When we describe this bondage of sin, it is essential that we choose the right metaphor. Is this bondage merely a spiritual sickness, or is it a spiritual death? If the former, then the human will has the residual power to cooperate with God's grace (*synergism*) in the process of salvation. If the latter, salvation is God's work alone (*monergism*) and has the form of a spiritual resurrection from the dead. Moreover, this latter alternative also entails the doctrine of predestination since God's work alone accounts for the salvation of his elect.

At the time of the Protestant Reformation, the Catholic Church held that the human will was merely sick, not dead. Thus, it still had the residual power to cooperate with God when assisted by divine grace. With God's help it could earn enough merit for its salvation. But if it failed, it could rely upon the surplus merit earned by previous saints. Since these saints had earned more merit than they needed for their own salvation, they left a surplus of merit which was stored up by the Church and dispensed through the sale of indulgences. By purchasing these indulgences, people could reduce their time in purgatory.

Luther saw the Achilles heel of this entire system. It was the assumption that the human will was merely spiritually sick. By contrast, Luther believed that the human will was dead in trespasses and sins so that nothing less than the atonement of Christ and the regeneration of the Spirit could save it from its bondage to sin. Therefore, in his classic work, *The Bondage of the Will*, Luther held that the bondage of the will—along with the corollary doctrine of predestination—was the central issue of the Protestant Reformation.

Cross Lutheran School would like to thank **Brian and Kim Delpiere** for their generous \$300 donation to our Cross Country program, given in honor of their son, **Kendal Delpiere**, a Cross alumnus with a love for running. Although Cross Country was not offered during Kendal's years at Cross, his love for running is now helping provide that opportunity for today's students. We are grateful to Brian and Kim for their generosity and support of our Cross Country team!

Our committee would like to extend a HUGE thank you to everyone who helped make our Annual Chicken BBQ Dinner such a wonderful success! Thank you to all who volunteered, donated, made desserts, helped with setup and cleanup, attended, and worked behind the scenes. Your time, generosity, and support are truly appreciated! We are blessed to share that we were completely sold out by 12:30 p.m. and raised an incredible \$6,144.00! Thank you for helping make this event such a success. We are truly grateful for our wonderful church family and community!

Big Thank You to everyone who participated in the Church Directory. If you know someone who has not had their photo taken yet, the photographers will be back Oct. 7th.

Operation Christmas Child Update

OCC is a year-round project for many of us! Mission Outreach members have recently put together 50 sewing kits for the boxes. Many supporters scour the sale racks all year long looking for reduced deals on items for the shoeboxes. This morning I got a call from a friend who excitedly proclaimed, "I found 25 pairs of children's shorts for \$1 each!" Another told me they are making packs of assorted band-aids for the boxes. Someone bought 48 boxes of crayons at the back to school sales. Someone else bought socks! I myself keep a big tote in my closet and every time I find something like reduced stuffed Easter bunnies or bracelets and sunglasses from parades, in the tote they go! We pray that many of you are looking for items to add to our collection! - Cross Mission Outreach

Cross Lutheran Early Childcare Center is excited to begin another wonderful school year! Our Prepper and Preschool classrooms are officially underway, and the children are settling into their daily routines with enthusiasm and joy.

During these first weeks of school, the children have been busy getting to know their teachers and classmates, learning classroom expectations, and becoming comfortable in their new surroundings. They are also discovering more about themselves, their feelings, their abilities, and the amazing bodies God has given them. Through songs, stories, play, art, movement, and hands-on activities, the children are learning how special and unique each one of them is.

Most importantly, our children are learning about **Jesus and His love for each and every one of us**. We are teaching them that Jesus loves them, cares for them, and is always with them. Through Bible stories, prayers, songs, and daily conversations, we pray that each child will grow not only in knowledge, independence, and confidence, but also in faith and understanding of God's love.

As we continue through the school year, the children will begin exploring the exciting topics of **weather and the changing seasons**. They will learn about sunshine, rain, wind, clouds, temperature, and the many changes we see in the world around us. Through stories, experiments, crafts, outdoor observations, and other meaningful activities, the children will have opportunities to discover how God created and continues to care for our world.

We are also looking forward to two exciting field trips in the coming months! The children will visit **Scheurer Hospital** for a special tour of the building. This visit will give them the opportunity to learn more about the important work doctors, nurses, and other healthcare workers do to serve and care for people in our community. We are grateful for the chance to help our children become familiar with this important community resource.

We will also enjoy a fun fall visit to **Kohl Farms**. The children will have the opportunity to experience the beauty of the fall season, see the changes taking place in nature, and enjoy a memorable day together. Field trips provide wonderful opportunities for learning beyond the classroom while allowing the children to make special memories with their teachers and friends.

We are thankful for another wonderful school year and for the opportunity to nurture, teach, encourage, and care for these precious children each day. We are grateful for the support of our families, the dedication of our staff, and the many blessings God provides throughout the year.

“Let the little children come to me...” — Matthew 19:14

May God bless our children, families, and staff as we continue this school year together. We look forward to all the learning, growing, laughter, and joyful experiences the year will bring!

**Ms. Miki Sageman –
Early Childcare Center Program Administrator & Prepper
Teacher**

Ms. Miki Sageman has been part of Cross Lutheran since the fall of 2021, serving as the Early Childcare Center Program Administrator and Preparation Teacher. She lives in Pigeon with her cat, Lou. One of Ms. Miki's favorite "subjects" to teach is the world beyond the classroom. Through outdoor adventures, children learn by exploring and observing the world around them, whether they are walking in the rain, searching for bugs, watching birds and squirrels, counting cars, or stopping to watch the semis at the co-op. She loves turning everyday moments into meaningful learning experiences that encourage curiosity, observation, counting, and an appreciation for the community God has given us to explore. Her favorite Bible verse is 1 Corinthians 13:13: "And now these three remain: faith, hope and love. But the greatest of these is love." When asked about Cross Lutheran, Ms. Miki shared that it truly feels like a community family, where children and staff are known, welcomed, and valued. She considers it a blessing to watch children grow, learn, and build relationships in a caring community grounded in God's love. A fun fact about Ms. Miki is that she thrives on chaos, loves staying busy, and rarely sits still! Even after work, you can often find her hanging out with the kids at the park, riding bikes, playing kickball, wiffle ball, or their favorite game, "hit-ball"—basically baseball with a kickball!

Pastor Kevin Kaiser – Pastor

Pastor Kevin Kaiser has been serving at Cross Lutheran since January 2026. He is married to Steffany, and they have a son named William. His favorite subject in school is band. His favorite Bible verse is Matthew 6:33–34. Outside of his ministry, he enjoys cooking, baking, playing the drums, and watching movies. One of his fun facts is that he once almost knocked another pastor over with a giant loaf of communion bread! When asked about Cross Lutheran, Pastor Kevin shared the thought, "It's better to come and see for yourself." We are grateful to have Pastor Kevin as part of our school and church community.

Jenny Turner – Art Teacher

Mrs. Turner has been teaching art at Cross Lutheran for four years. She is married to Casey and has three children: Samuel, Jack, and Katie, who is married to Aiden. Mrs. Turner attends Elkton Missionary Church. Her favorite Bible verse is John 21:25, and she also enjoys the hymn "In the Garden." She loves painting, gardening, and watching her children participate in their activities. She has a special love for cats and sunflowers, which are two of her favorite things! When asked what she appreciates most about Cross Lutheran, Mrs. Turner shared that she values the supportive staff who genuinely care about the children, as well as the opportunity to share Jesus with her students. We are thankful for the creativity, care, and faith she brings to our school through her art classroom!

Youth and Education Notes

Galatians 6:9-10 ***So let us not grow weary in doing what is right, for we will reap at harvest time, if we do not give up. So then, whenever we have an opportunity, let us work for the good of all, and especially for those of the family of faith.***

What a challenge for us! Do not grow weary. Do not give up. When you have the opportunity to work for the good of all....do it! There are so many ways to serve our family of faith. Visit. Call. Serve on ministries. Read. Teach. Sing. Play. Sew. Cut. Build. Fix. Pray. Teach Sunday School. Did I mention that? Oh, the list is much longer than this. Which will you choose to do in serving our mighty God and His family?

Our youth gathered at the home of Robin Sturm and Kim and Larry Adams on Sunday, September 13 for some water fun. After our feast and discussion of future events, Pastor Kevin led the group in a lesson on baptism while in the lake. Water fun followed. Seven youth attended.

A calendar of events for our Middle School/High School youth has been developed. Our October event is the Kohl's Flashlight Corn Maze on Saturday, October 17. We will meet at Cross at 6:30 PM. Bring a flashlight! Youth from Cross Lutheran Church and School are encouraged to participate. Friends are always welcome!

Looking ahead, Sunday, November 1 will be BLAST at Bay Shore Camp from 4-7 p.m. Area youth gather together to build relationships, worship, play, and eat . . . all for \$1! Also put Wednesday, November 11 on your calendars for our GIVE THANKS party with PS-5th graders from 4:30-6:15 p.m. Our MS/HS youth will be leaders/helpers with activities and food.

At this time, Sunday School is being held every Sunday for PS-6th grade. There were 18 at our first gathering! We begin at 8:45 a.m. in the gym. Many thanks to all who have volunteered to teach. **More volunteers are needed!** (Does that ring a bell?) As a reminder, teachers' materials are in the files near the Pastor's office. I encourage the parents who bring their children to SS to enjoy time before the service to have fellowship, a devotion time, pray together, share your week's stories, etc. Would someone be a facilitator for that time? Adults . . . there is also Bible Study at 6:00 p.m. on Wednesdays in the church overflow! Building relationships is important as we grow in His Word.

It's easy to grow weary when there is lack of response to requests for an RSVP from youth/parents or lack of response when requests for Sunday School teachers are made. But I am reminded to not give up! We are called as members of the body of Christ to serve. No one should give up. Choose joy and do it! Prayerfully consider where God is calling you to serve at Cross Lutheran Church and School. The fields are wide open and the harvest is ready.

In His love,
Gwynne Barry
